The Periodic Review Report is due June 1, 2009.

The Statement of Accreditation Status (SAS) provides important basic information about the institution and its affiliation with the Commission, and it is made available to the public upon request. Accreditation applies to the institution as detailed in the SAS; institutional information is derived from data provided by the institution through annual reporting and from Commission actions. If any of the institutional information is incorrect, please contact the Commission as soon as possible.

Please check to ensure that published references to your institution's accredited status (catalog, other publications, web page) include the full name, address, and telephone number of the accrediting agency. Further guidance is provided in the Commission's policy statement *Principles of Good Practice in Institutional Advertising, Student Recruitment, and Representation of Accredited Status*, a copy of which is enclosed.

Furthermore, the Commission expects any action taken by the Commission to be shared with appropriate campus constituencies.

Please be assured of the continuing interest of the Commission on Higher Education in the well-being of the State University of New York at Stony Brook.
